

ISPAE INDIAN SOCIETY FOR PEDIATRIC AND
ADOLESCENT ENDOCRINOLOGY

ISPAE-PET Fellows School 2023

(Indian Society for Pediatric and Adolescent Endocrinology – Pediatric Endocrinology Training)

at The Signature Club Resort, Brigade Orchards, Bengaluru

Tuesday, 14th November to Friday, 17th November 2023

The much-awaited ISPAE-PET Fellows School is scheduled from 14th-17th November this year, immediately preceding the ISPAE Scientific meeting. It is a 3-day intensive residential training program for young entrants in pediatric endocrinology and a refresher course for those already working in the field of pediatric endocrinology. The PET Fellows School provides opportunity for Fellows to learn from excellent national and international faculty with immense experience, explore career options, network with their peers from institutions all over India and to spend some enjoyable social time with their new friends. The venue this year is The Signature Club Resort, Brigade Orchards, Bengaluru with its beautiful location and ambience conducive for learning and promoting interaction between Fellows and faculty.

Registrations are limited to 36 seats only.

Course registration is fees Rs. 12,000/- **(to be paid only after selection).**

Please complete the application form and return by email to **Dr. Ahila Ayyavoo** (ISPAE–PET 2023 Convener) at ispaepet2023@gmail.com AND **Dr. Shaila Bhattacharyya** (ISPAE–PET 2023 Co-convener) at shailashamanur@gmail.com along with your CV (not more than 2 pages) and a reference letter from the Head of the Department.

It is mandatory that all applicants become member of ISPAE.

Important dates:

Last date of application	25th May 2023
Notification of selected candidates	10th June 2023
